Delegation of Powers to Municipal Councils

Chief Secretary's Note in Mel. File No. 11 of 1927, regarding sanction of Travelling Allowance Bill of the Building Inspector of the Mysore City Municipal Council.-

To prevent delay, the order may issue But it seems absurd that such references should come up to -- Government.

I was long contending that Mr. the Mysore Service Regulations had no applications to Municipalities --- except in so far as it was embodied in the Municipal Account Manual or in Rules framed under Section 46. The point may be examined.

6	Submitted with reference to para 7 of the note There does not seem to be any file in which this question has been previously discussed
	Under sec 40 of the Mysore Service Regn, no officer is entitled to pay or allowances for any time he may spend beyond the limits of his charge without the proper authority of the SR Under sec 41(a) Heads of Dept or Deputations or other officers may authorise any officer or subordinate under them competent to proceed on duty beyond the limits of his charge but within the jurisdiction
	Under rule 17 of the Trl Accts manual, Allowances of the Trl Employees are regulated according to the sections of the P S R in the matter

10 It is clear that the word 'Allowances' in sec 40 of MSR and also in rule 17 of Pol Accounts manual include Travelling Allowance also So the journey beyond the jurisdiction has to be authorized by a proper authority

11 Under sec 41(a) of the MSR Heads of Depts and Other officers may authorize within their jurisdiction

12 So in the case of Pol and Pol Councils the Govt sanction has to be ~~obtained~~ obtained for journeys beyond the jurisdiction

13 Pol Dept may perhaps be consulted in the matter

Ch Sec 16/12

14 The Pol Cl may well be considered for the purpose the "Head of Dept" Then may be laid down by appointing that in the case of all councils not subject to the control of Govt but directly of Govt-

3. Under the recent standing orders, the Municipal councils are required to employ Govt servants, as far as possible, of having three years service or more, with a view to improve the efficiency in all the branches of the State. This requires the imposition of certain limitations in the foregoing rule. I would suggest that in respect of the Bangalore & Mysore cities, decentralisation of powers

A revised order is pending for which Schedule I details the provisions of the articles under which powers to be conferred by the proposed Act.

It is submitted that these cannot be issued as rules, as rules by the council under Sub 46 of the Municipalities are subject to the provisions of the Legislative Councils Act. It seems therefore proper to issue an order in regard to the powers to be conferred by the rules under the Servus Regulations

The G O as drafted proposes to delegate to the Municipal Councils the powers of Govt and of Heads of Depts under all the Articles of the S R excepting those specified in the Schedule appended to the order in respect of their officers and servants

It is well if the G O: specifies the particular provisions in the S R under which the Municipal Council may exercise powers similar to those exercised by the several Heads of Depts

The following are the several articles in the S R with powers under which

Sir,

With reference to your letter No L 7586-GC/L1 11-7-11 dated 17-5-29, and subsequent reminders ending with No L 4013-0 dated 3rd December 1929 calling for opinion as to the powers that could be delegated to the Municipal Council under certain articles of the Mysore Service Regulations, I have the honour to state that the Presidents of Hassan and Channapatna Municipal Councils have yet sent in their replies in the matter While, the other Municipal Councils have opined that powers may be delegated to them as detailed in the accompanying list Their repolutions on the subject are forwarded herewith in original for reference

In view of the fact that under Government Order No 6052-125/128-26-1 dated 1-5-27, the Municipal Councils have no power of patronage over the Municipal establishment except the menials, I am not in favour of delegating extensive powers to the Municipal Councils, whether Town or Minor, with regard to pay, pensions etc of the Municipal employees The powers now vested in Government under articles 90(a), 107, 288, 289, 535(b), 539(f), 583, 609 and 618 may however be delegated to them

I have the honour to be,

Sir,

With reference to your letter No.L.7586-88/M1.11-27-110 dated 17-8-1939, calling for my opinion as to whether any of the powers under Service Regulations, now reserved for Government, should be delegated to Municipal Councils, Town and Minor, I have the honour to state that the powers under the marginally noted sections of the Service Regulations may be delegated to all Municipal Councils. Regarding other sections, as this involves many difficulties under the present rules of recruitment and appointment, the powers may not be delegated.
